BOOKING CANCELLATIONS (BY GUEST) FEES

Cancellation of your booking often does not allow time for the re-sale of your space on the trip.

However, with our Lifetime Deposit Guarantee, you will never lose your deposit. No matter when you cancel – so long as the trip hasn't started, you keep your trip deposit as a credit to be applied to future trips. This is also transferable for use on one of our sister travel brands: [Camino Women](#), [Patch Adventures](#), or [Fencox Travel](#).

Most cancellations happen due to unfortunate circumstances, such as sickness or bereavement, but we cannot adjust our policy for these circumstances. We have in the past tried to accommodate for these events, but the cost of covering these cancellations was financially unsustainable and caused the majority of trips to run at a loss. Sourcing replacement guests is difficult and campaigns to fill last-minute spots rarely succeed.

For this reason; if you wish to be covered for cancellations, this must be organised with an external insurance provider.

If you need to cancel or switch to another trip before the Final Payment Date, we'll process any refunds, but please note that some costs might not be recoverable. These could include things like internal flights we've already booked, or other extras we've arranged for you.

If any guest leaves the trip voluntarily after its commencement, there will be no refund.

Any refund, be it part or whole, will be based on the payment originally received in our bank account – that amount is the gross amount on which any refund will be based.

Cancellation 120 days or more prior to departure: Retain trip minimum deposit as a credit; refund all other monies paid.
